

Converter - adapter PS/2 mini DIN 6 female to SUBD DB9 female

FEATURES

The mouse converter only converts the plug type of the mouse and not the signal. You cannot therefore convert an RS232 serial mouse to PS/2 and the like. Converter is with thumb screws.

PS/2	DB9F
1	3
2	N/A
3	7
4	5
5	2
6	N/A
