

Modular PoE Surge Protection 4 channels

FEATURES

- Modular design for easy replacement
- Supports 10M/100M/1G/2.5Gbps Ethernet
- Supports 802.3af / 802.3at / 802.3bt / UPoE
- Protects 8 wires of network cable, including PoE
- Protects Up to 20KV / 10KA wave
- Error indicator LED
- Operating temperature from -40°C to 85°C
- DIN rail mounting

SPECIFICATIONS

Operating Temp.	:	-40°C to 85 °C
Beskyttelse	:	20KV/10KA surge
Kanaler	:	4-ch Modular
Montering	:	Din-rail mounting
Standarder	:	802.3af/802.3at/802.3bt/UPoE PoE
