

ESW8G-M-SFP2+

8 port Managed switch 8 x 100/1000Mbit RJ45. Fiber
2 x 100/1000/2500Mbit SFP slot, PoE+, -40 - +75°C,
48-54VDC

FEATURES

- Managed Industrial switch for harsh environments
- Cybersecurity SSHv2/TLSv1.2
- Ethernet Ring Protection
- e-Mark Certified (vehicles/ITS)
- Can support 2.5Gbit SFP module
- 8 port industrial Gigabit switch, RJ45 with PoE+
- Intelligent PoE
- 2-port SFP 100/1000/2500Mbps
- Supply voltage: 48-54VDC
- PoE power budget: 240W
- Redundant power supply connection
- IGMP snooping, MLD snooping
- IEEE 1588 Time synchronization protocol
- ONVIF - discovery / Floor Map
- Modbus TCP real-time (SCADA)
- Extended temperature range from -40 to +75 °C
- DIN rail or wall mounting
- Dimensions: 152 x 107 x 77 mm
