

4 port 10/100/1000Mbit nettverkskort, PCIe, høy og lav profil. Intel i350-T4

## FEATURES

- 4 ports Gigabit nettverkskort
- Ethernet 10Base-T, Ethernet 100Base-TX, Ethernet 1000Base-T
- PCI Express 2,1 x 4
- 4 x RJ45
- For normal og lav profil

## SPECIFICATIONS

|              |   |                                                                                  |
|--------------|---|----------------------------------------------------------------------------------|
| Porte        | : | 4 x 1000Base-T RJ45                                                              |
| Standarder   | : | Gigabit Ethernet x 4 Ethernet 10Base-T, Ethernet 100Base-TX, Ethernet 1000Base-T |
| Tilslutning  | : | PCI-E x 4 kort                                                                   |
| Understøtter | : | Ethernet, Fast Ethernet, Gigabit Ethernet                                        |
