

RESTERENDE SALG

The image shows a black rectangular solar controller unit. It features several potentiometers (knobs) for adjusting settings. Labels on the unit include "SUNSAVER-10 SOLAR CONTROLLER 5A-10", "CHARGING", "TEMP. SENS.", "MAILED OR FLOODED OR RELEC.", "SOLAR", "BATTERY", "LOAD", and "Reverse Polarity Protection". There are also status LEDs and a small display window showing "12.7".
