

M-7024-G

FEATURES

M-7024-G

The image shows the ICP DAS M-7024-G data logger, a ruggedized device with a grey and blue casing. It features a label with the ICP DAS logo, a CE mark, and a table of specifications. The device has orange terminal blocks for input/output connections. The label includes the following information:

DATA ACQUISITION	CODE	OUTPUT
MODULE	25	1-20mA
25	1-20mA	
25	1-20mA	
INPUT	25	1-20mA
DCV/MA	25	1-20mA
INTERFACE	25	1-20mA
RS-485	25	1-20mA

Additional labels on the device include "LIMIT*", "IY/DATA*", "I/DATA*", "R/I*", and "I/DATA* 10".
